9th Lancers.—Pensioned Serjeant H. HARTIGAN.—Date of acts of bravery, 8th June and 10th October, 1857.—For daring and distinguished gallantry in the following instances :—At the battle of Budle-ke-Seral, near Delhi, on the 8th of June, 1857, in going to the assistance of Serjeant H. Helstone, who was wounded, dismounted and surrounded by the enemy, and at the risk of his own life carrying him to the rear. On the 10th of October, 1857, at Agra, in having run unarmed to the assistance of Serjeant Crews, who was attacked by four rebels. Hartigan caught a tulwar from one of them with his right hand, and with the other hit him on the mouth, disarmed him, and then defended himself against the other three, killing one and wounding two, when he was himself disabled from further service by severe and dangerous wounds.

1st Battalion, 5th Regiment.—Serjeant ROBERT EWART.—Date of act of bravery, 24th September, 1857.—For conspicuous devotion at Alumbagh, on the 24th September, 1857, in proceeding under a heavy and galling fire to save the life of Private E. Deveney, whose leg had been shot away, and eventually carrying him safe into camp, with the assistance of the late Lieutenant Brown and some comrades.

1st Battalion, 5th Regiment.—Private PATRICK M'HALE.—Date of acts of bravery, 2nd October and 22nd December, 1857.—For conspicuous bravery at Lucknow on the 2nd October, 1857, when he was the first man at the capture of one of the guns at the Cawnpore Battery; and again on the 22nd December, 1857, when, by a bold rush, he was the first to take possession of one of the enemy's guns, which had sent several rounds of grape through his Company, which was skirmishing up to it. On every occasion of attack Private M'Hale has been the first to meet the foe, amongst whom he caused such consternation by the boldness of his rush as to leave little work for those who followed to his support. By his habitual coolness and daring and sustained bravery in action his name has become a household word for gallantry among his comrades.

WARRANTS, CIRCULARS, &c.

Bahamas, 6,

CIRCULAR, No. 592.

56.

War Office, 17th May, 1860.

MR. SECRETARY HERBERT having been in communication with his Grace the Duke of Newcastle upon the subject of the legal advice which it may be at times necessary to obtain in our Colonies in conducting the business of the War Department, and having had under his consideration Circular 467 of the 30th August, 1859, and that of the Board of Ordnance, No. 1,467, of the 26th April, 1847 (S-48), desires that the operations of Circular 467, so far as it approves of a separate legal adviser being appointed, should be limited to Colonies having a responsible Government, and in which the Law Officers of the Crown are therefore subject to frequent changes, and to other cases in which, from some local circumstances, the General Officer commanding, with the assent of the Governor, may consider that the Law Officers of the Crown are unable to attend conveniently to the business of the War Department.

The Circular of the late Board of Ordnance, No. 1,467, already referred to, provides that where "a Law Officer of the Crown is paid by a salary, his remuneration annually is to bear to his annual salary, as nearly as may be, the same proportion which the demands of the Board of Ordnance on his time and attention during the year may have borne on the demand made during the same period on his time and attention by the Colonial Government:" and that where he is "remunerated by fees, the fees to be paid by the Board of Ordnance are to be neither greater nor less than the fees which any such Officer may receive in respect of duties of equal importance and difficulty for the local Government."

Mr. Herbert now wishes to add, that when the income of the person concerned is derived partly from his official salary and partly from private practice, he should receive the fair remuneration which he would obtain from private individuals for any business which may be thrown upon him by the War Department.

There are cases in which the services of the Legal Officer of the Crown can only be rendered as a Barrister, and a case must therefore be prepared for him by an Attorney, and in some minor cases the services of the Attorney may alone be required. Officers commanding will therefore use their judgment in such cases where a diminution of legal expenses may be effected without sacrificing public interests.

Mr. Herbert takes this opportunity of calling attention to the Circular of the late Board of Ordnance, No. 1,566, of 26th May, 1852, relative to taxing and certifying legal charges.

INSTANCES having recently occurred in which prosecutions have been undertaken on behalf of the War Department without the previous sanction of the Secretary of State, I am desired by Mr. Secretary Herbert to apprise you that he cannot hold himself responsible for any proceedings which have not been previously expressly sanctioned by him.

In cases requiring legal assistance, as in the prosecution of criminals at Sessions or Assizes, or in other matters, the circumstances should be briefly stated for the decision of the Secretary of State; and if a prosecution or other proceedings be approved, the Solicitor to the Department will be instructed to take charge of the same.

In cases wherein the accused have been arrested and taken before the magistrates for examination, a copy of the depositions should be forwarded forthwith to this Office, and, if possible, an adjournment of the case should be obtained, in order that the decision of the Secretary of State may be conveyed to you before the prisoners are committed for trial.

In cases in which the magistrates have a summary jurisdiction,* the offenders may be summoned and punished without a previous reference to the Secretary of State, as such proceedings are generally for minor offences and seldom involve legal expense.

Horse Guards, S. W., 23rd May, 1860.

With reference to paragraph 13 of the Regulations for the Staff College, published with the General Order, dated 23rd January, 1860, No. 743, His Royal Highness the General Commanding in Chief is pleased to direct that this General Order be issued for the information and guidance of those Officers who may be desirous to compete at the next final examination at the Staff College, without having previously undergone the course of instruction at that Institution.

The examination will be held at the College in December next, and those Officers who, having served the regulated period, can produce the necessary certificates* should send in their names to the Adjutant General, through their Commanding Officer, not later than the 1st of October.

As it is important thoroughly to test the knowledge of Candidates as regards the practical subjects taught at the Staff College, such as Reconnoitring, Field Engineering, Military Equitation, &c., they will for this purpose be required to join the College at least one month before the final examination, *i. e.*, on the 1st November next.

The following are the subjects for examination, in accordance with paragraphs VIII. and XII. of the Staff College Regulations, to which Candidates are referred.

Mathematics.

The Candidates will be examined to the extent stated in paragraph VIII. of the Staff College Regulations.

Candidates desirous to obtain a Syllabus of the College Course should apply to the Secretary to the Council of Military Education, 1, Whitehall Yard, London, S. W.

The Candidate will be examined both orally and in writing, the latter including Grammar and Composition, as well as Translation.

Fortification and Artillery.

The Candidate will be examined as to his knowledge of these subjects, and will, in addition, be required to produce a Plan either of one of the Bastioned systems or of the modern German system, or of any existing Fortress, and also a plan of attack of a Fortress.

The Candidate must certify that these and any other Plans which he may produce have been executed by himself. He will also be required, during the month he is at the College prior to the examination, to draw some Profiles and a Field Trace from given conditions.

Topographical Drawing, Military Surveying and Sketching.

The Candidate will be required to produce a Plan of not less than six square miles of country, which also he must certify to be his own work.

Horse Guards, S.W., 1st June, 1860.

THE following additional Regulations consequent on the reduction of the prices of Commissions in the Cavalry, having been approved by Her Majesty, are promulgated to the Army:—

In cases where an Officer of the Cavalry who was in the Service previous to the 31st January, 1860, would, on exchanging from Cavalry to Full or Half Pay of Infantry, have been entitled, under the Regulations then existing, to receive the difference between the Cavalry Commission which he then held and Infantry, according to the rates fixed for the several ranks, he will, if the exchange be permitted, be allowed to receive the difference from the Reserve Fund.

Captains of Cavalry, who have not had the benefit of the New Regulations in the purchase of any previous step, will only be required, on purchasing a Majority, to pay 1,350*l.*, and the additional 50*l.* will in those cases be paid to the retiring Officer from the Reserve Fund.

GENERAL ORDER. No. 755.

Horse Guards, S. W., 25th June, 1860.

HIS ROYAL HIGHNESS the Duke of Cambridge has received the commands of the QUEEN to convey to the several Volunteer Corps reviewed by Her Majesty on Saturday, the 23rd instant, the very great satisfaction with which she observed the rapid progress they have made in military discipline, and the degree of perfection at which they have arrived.

The steadiness and precision with which they performed the parade movements leave little doubt in Her Majesty's mind, that, if they continue to be actuated by the same zeal they have hitherto evinced, a moderate degree of drill, interfering as little as possible with their usual avocations, will render them a most valuable auxiliary to her Regular Forces for the defence of the country.

Much as Her Majesty's admiration was excited by the soldierlike bearing of the various Corps passed in review, a still deeper impression has been made on her mind by the proof which the Volunteer movement throughout the country affords of their devotion and loyalty to the Throne, and their anxiety to second her endeavours to ensure the security and thereby the prosperity of the kingdom.

The General Commanding in Chief is further directed by Her Majesty to mark especially her sense of the zeal displayed by the Officers of Volunteers commanding Brigades and Corps, and to notice particularly those Battalions and Companies which, regardless of personal inconvenience and expense, came from distant counties to join in the display of loyalty and patriotism, which will render the 23rd of June, 1860, memorable in the annals of our times.

The General Commanding in Chief having thus given expression to Her Majesty's sentiments regarding the Volunteer Force, commendation on the part of His Royal Highness would be superfluous; but he desires to offer his thanks for the support and co-operation he has received on this occasion from the Officers of the Regular Army employed during the day, and, more particularly, to refer to the excellent arrangements made by the Inspector of Volunteers and his Assistants, which were so well seconded by the intelligence and orderly conduct of the various Corps present.

By Command of HIS ROYAL HIGHNESS
THE GENERAL COMMANDING IN CHIEF.

JAMES YORKE SCARLETT,
Adjutant General.

WARRANTS, CIRCULARS, &c.

56, CIRCULAR MEMORANDUM, No. 599.
General No. 597. HOME STATIONS.

War Office, 12th June, 1860.

THE attention of the Secretary of State for War has been directed to the present regulations relating to the issues of fuel to Wash-houses in Barracks, as laid down in War Office Circular No. 216, whereby a large allowance of fuel is authorized at certain Stations and none at others. Mr. Secretary Herbert has now decided, in conjunction with His Royal Highness the General Commanding in Chief, that this unequal distribution of the allowance shall cease, and that an allowance in aid of washing shall be issued to all Stations. Paragraph 8 of Circular 216 will therefore be cancelled. The following issues of fuel in aid of washing will hereafter be made at all Stations:—

Forty pounds of coal for washing purposes per week for every hundred men all the year round.

Twenty pounds of coal or of coke for drying purposes per week for every hundred men from October to May, both months inclusive.

Four pounds of coal for washing purposes and two pounds for drying purposes to be added for every ten men or fractional part of ten men that there may be in excess, and deducted for every ten men short, of the unit of one hundred men.

56, CIRCULAR, No. 600.
General No. 608. HOME STATIONS.

War Office, 19th June, 1860.

THE Secretary of State for War having decided on supplying Officers' Mess Establishments at certain Stations occupied by Cavalry Depôts, Depot Battalions, or by Head Quarters of the Brigades of Royal Artillery with various articles of furniture, the Officers comprising the mess paying a per-centage upon the value thereof, the following instructions on the subject are issued for the information and guidance of Officers concerned:—

1. On furniture being supplied to a Mess Establishment, whether by the War Department taking it over from Officers or by purchasing it from other sources, its total value will be communicated from this Office to the Barrack Master.

That Officer will, on the expiration of each quarter or on the Regiment or Battalion quitting the Station, send in to the Officer commanding a charge for the use of the furniture at the rate of fifteen per cent. per annum upon its total value, sending a duplicate of the charge to the Accountant General, and retaining a third copy in his own office.

The Paymaster of the Regiment or Battalion will then receive the amount of the charge from the Officers concerned, and will give credit for it in the pay list next to be rendered by him, under the head of "Her Majesty's Exchequer, extra receipts, per-centage on value of mess furniture."

2. The Barrack Master will also on his monthly inspection of the Barracks examine the furniture, and will assess charges against the Regiment or Battalion for any deficiencies or for any damages which may have been caused by wantonness or neglect, making every allowance for fair wear and tear which to furniture in daily use must be expected to be considerable.

These damages the Barrack Master will at once cause to be made good by local tradesmen as far as practicable. The claims of those tradesmen he will transmit to the Accountant General for allowance, in accordance with the instructions laid down in Circular 542, for other damages charged against the Troops.

A statement of the charges so assessed he will transmit to the Officer commanding, sending a duplicate to the Accountant General, and retaining a third copy in his own office.

CIRCULAR, No. 600—continued.

The Paymaster of the Regiment or Battalion will receive the amounts from the Officers concerned, and will credit them in the pay list next to be rendered by him, under the head of "Her Majesty's Exchequer, extra receipts, damages and deficiencies."

Appeals against the charges assessed will be conducted in the same manner as in ordinary cases of Barrack damages.

3. When repairs shall become necessary from fair wear, the Barrack Master will procure an estimate of their cost from some local tradesman, and he will transmit that estimate in a *special* fair wear report, with his own report upon the subject to this Office, for the authority of the Secretary of State to the expenditure.

4. The total sum on which the per-centage will be levied will remain a fixed amount so long as the articles by which it was originally made up remain unchanged. The state of their repair, so long as they are not unserviceable, will not be permitted to increase or diminish that amount.

5. On an article of furniture being considered unserviceable from fair wear, the Officer commanding will assemble a Board composed of three Officers (one of whom shall be the Barrack Master), and on their report being to the same effect, the Officer commanding will transmit it to the Secretary of State for War, in order that the necessary steps for replacing the article at the cost of the public may be taken.

To Officers commanding Cavalry Depôts,
Royal Artillery Brigades, Depôt Batta-
lions and Barrack Masters.

HOME STATIONS.

War Office, 19th June, 1860.

1. THE Secretary of State for War having had under consideration the subject of the applications of Military Store Officers and Barrack Masters for authority to purchase Articles of Store, and the method now adopted for the payment of the claims arising therefrom, has decided that the course which has hitherto been followed of transmitting certified claims for those services to this Office for examination and allowance previously to the introduction of the amounts into the account current shall, in respect of orders dated on or after the 1st July next, be discontinued.

2. Those Accountants are therefore desired, *immediately* after the necessary sanction shall have been received at the Station, to make the purchase *in full*, and to pay the charges so sanctioned, without further reference to this Office, introducing the items into the accounts *current*, under the head of *Service and Vote specified in the authority for the purchase*. The vouchers should be invariably accompanied by that authority, and by the receipt of the tradesman duly stamped and witnessed.

3. This arrangement, however, is not to apply to purchases of Commissariat Supplies, such as coals, coke, turf, candles and straw. The certified claims for these purchases, when duly sanctioned, will as heretofore be forwarded to this Office, that steps may be taken for liquidating the same, and adjusting the excess of price beyond the contract which may accrue thereon, the particular sum to be charged against the defaulting contractor being shown by the Barrack Master in every instance on the purchase account, and such particulars moreover noted on the first certificate, original as well as duplicate, which may be granted such contractor for any articles actually supplied by him.

4. The purchases made by Military Storekeepers are to be supported by the certificate S. No. 6, of the Home Regulations, in original and duplicate, certified as that document prescribes, to the effect that the articles have been delivered of proper quality, and brought on charge in the Store Ledgers agreeably to the terms of the Circular of the Director of Stores, dated 6th June, 1859 [annexed].

5. Purchases by Barrack Masters are to be certified and marked original and duplicate on form No. 17 of the Barrack Regulations, showing that the articles have been delivered and brought on charge in the Store Ledger, and the certificate of quality required by Article 153 of the same Regulations is to accompany the voucher.

6. Barrack Masters are at the same time informed that their application for articles usually issued from Store should form the subject of a separate demand, and that the

CIRCULAR, No. 601—continued.

purchases under any one order, although made of different individuals, are to be included in one and the same form, No. 17, separate stamped and witnessed receipts being taken from each person, and the name of the supplier being shown against the items procured from him: provided, however, the articles purchased are, according to the Director of Stores' communications, chargeable to the same head of service as shown in the printed estimates.

7. Lastly, Barrack Masters are informed that the Circular of 1st December, 1859 (50—3—343), is hereby cancelled, and that the rule which now renders it necessary to make special application for purchases of all kinds is to prevail in the case of oil, cotton wick, spirits of wine and other charges for magic lanterns.

No. 6, or K., the enclosed form,* with a supply of which you will be provided.

In this form you will specify the quantities of the Stores purchased, and the numbers of the Store Vouchers by which they are brought to credit in the Ledger. I am at the same time to request that in all your Store Issue Vouchers for the sale of Stores you will state at the foot of the voucher the gross proceeds of the sale, the expenses and the net amount received.

General No. 19.

War Office, 2nd June, 1860.

SIR,—I AM directed by Mr. Secretary Herbert to acknowledge the receipt of your letter of the 14th ultimo, making enquiry regarding the period from which Militiamen, who enlist in Regiments of the Line, may commence to count service. In reply, I am to acquaint you, for the information of His Royal Highness the General Commanding in Chief, that a man who volunteers for the Line, after having been granted a release from the Militia, commences to reckon service for good conduct pay from the date of attestation for the Regiment to which he volunteers. On the other hand, however, if a Militiaman fraudulently enlists in a Line Regiment, without having obtained a release, he cannot, even though held to serve in the Line Regiment, count his service for good conduct pay until the expiration of the period for which he engaged to serve in the Militia.

Similarly, with reference to the second paragraph of your letter, in the first case, the man would commence to count service towards the completion of ten years' limited service from the date of attestation; in the second, from the expiration of his engagement for the Militia.—I have, &c.,

NOTICE.

War Office, Pall Mall, 27th July, 1860.

THE next Examination of Candidates for direct Commissions in the Army will be held at the Royal Hospital, Chelsea, on Monday, the 6th of August next, and following days.

ORDER OF THE BATH.

War Office, 21st July, 1860.

THE QUEEN has been graciously pleased to give orders for the appointment of Colonel Anthony Coningham Sterling, *C.B.*, some time Military Secretary to the Commander in Chief in the East Indies, to be an Ordinary Member of the Military Division of the Second Class, or Knights Commanders, of the Most Honorable Order of the Bath.

MEMORANDUM.

ARTIFICIAL ARMS AND LEGS.

THE Lords and others Commissioners of Chelsea Hospital having, at the suggestion and recommendation of the Secretary of State for War, made Arrangements for the supply of Artificial Arms (constructed upon an improved principle) and of Artificial Legs (in imitation of the natural leg, both as to form and motion) to those Commissioned Officers who have been wounded in the Service, whose means may not enable them to provide themselves with more expensive contrivances,—it is hereby notified, that such Officers who may be desirous of availing themselves of this benefit, and whose cases may come within the above regulation, should address their applications upon the subject to the Secretary of Chelsea Hospital. It is, however, to be clearly understood, that, as this is intended to be a boon to Officers of the above description, no pecuniary allowance in lieu can be granted to Officers who may prefer providing themselves with other substitutes for limbs.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force :

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they are so, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, May 10, 1855.

ORDER OF THE BATH.

War Office, 30th July, 1860.

THE QUEEN has been graciously pleased to give orders for the appointment Colonel Richard Denis Kelly, *C.B.*, of the 34th Regiment, to be an Ordinary Member of the Military Division of the Second Class, or Knights Commanders, of the Most honourable Order of the Bath.

THE VICTORIA CROSS

CONTINUED FROM

The Monthly Army Lists of March, June, July, October and December, 1857, January, February, May, July, September, October and November, 1858, January, February, May, June, July, August, October, November and December, 1859, and February, March, June, and July, 1860.

War Office, 3rd August, 1860.

THE QUEEN has been graciously pleased to signify her intention to confer the decoration of "The Victoria Cross" on the under-mentioned Officers of Her Majesty's Indian Forces, whose claims to the same have been submitted for Her Majesty's approval, in consideration of their Gallantry and Distinguished Conduct during the operations of the Expeditionary Force in Persia in 1856—57, as recorded against their several names, viz.:—

10th Bombay Native Infantry.—Captain JOHN AUGUSTUS WOOD.—Date of act of bravery, 9th December, 1856.—On the 9th of December, 1856, Captain Wood led the Grenadier Company, which formed the head of the assaulting column sent against Bushire. He was the first man on the parapet of the fort, where he was instantly attacked by a large number of the garrison, who suddenly sprang on him from a trench cut in the parapet itself. These men fired a volley at Captain Wood and the head of the storming party, when only a yard or two distant from that Officer; but, although Captain Wood was struck by no less than seven musket balls, he at once threw himself upon the enemy, passed his sword through the body of their leader, and, being closely followed by the men of his company, speedily overcame all opposition, and established himself in the place. Captain Wood's decision, energy and determined valour undoubtedly contributed in a high degree to the success of the attack. His wounds compelled him to leave the force for a time; but, with the true spirit of a good soldier, he rejoined his regiment, and returned to his duty at Bushire before the wounds were properly healed.

10th Bombay Light Cavalry.—Lieutenant and Adjutant ARTHUR THOMAS MOORE and Lieutenant JOHN GRANT MALCOLMSON.—Date of acts of bravery, 8th February, 1857.—On the occasion of an attack on the enemy on the 8th of February, 1857, led by Lieutenant-Colonel Forbes, *C.B.*, Lieutenant Moore, the Adjutant of the Regiment, was, perhaps, the first of all by a horse's length. His horse leaped into the square, and instantly fell dead, crushing down his rider, and breaking his sword as he fell amid the broken ranks of the enemy. Lieutenant Moore speedily extricated himself, and attempted with his broken sword to force his way through the press; but he would assuredly have lost his life had not the gallant young Lieutenant Malcolmson, observing his peril, fought his way to his dismounted comrade through a crowd of enemies to his rescue, and, giving him his stirrup, safely carried him through everything out of the throng. The thoughtfulness for others, cool determination, devoted courage and ready activity shown in extreme danger by this young Officer, Lieutenant Malcolmson, appear to have been most admirable, and to be worthy of the highest honour.

WITH reference to War Office Circular, No. 385, dated February 7, 1859, on the subject of the whitewashing of Barracks,—

The Secretary of State has now decided, with a view to diminishing correspondence, on the following modification thereof:—

On a Barrack Master receiving from an Officer commanding a requisition for whitewashing a Barrack or a portion of a Barrack, he will as now, when it is proposed that the work shall be performed by the Troops, and when the buildings in question have not been whitewashed for six months, fill in War Office Form 1,421, and will transmit it to the Commanding Royal Engineer for his certificate as to the estimate.

The Commanding Royal Engineer, after attaching his certificate thereto, will return the form to the Barrack Master, who will then cause the work to be executed without further authority.

2. At the close of the quarter the Barrack Master will transmit to the War Office the whole of the requisitions for whitewashing which may have been acted on during the quarter, with a covering letter, showing the total of the estimates and the total expenditure incurred, in order that the sanction of the Secretary of State for War to the expenditure may be obtained.

3. In the event of its being proposed that Troops shall not be employed to execute the work, or that a building shall be whitewashed more often than once in six months, the Commanding Royal Engineer will then forward the requisition prior to the work being ordered, in accordance with paragraph 5 of Circular 385.

With reference to Article 8 of the Outline of Plan for conducting the Cash Business of the Treasury and War Department abroad, enclosed in Circular No. 158, Mr. Secretary Herbert desires that no payments for Army Services may in future be made direct from the Treasury Chest, unless in such exceptional circumstances as may render it absolutely necessary to dispense with the intervention of the Military Accountant.

From the numerous instances in which expenses for Army Service have been found included in the accounts of the Senior Commissariat Officer with the Treasury, Mr. Herbert deems it requisite to call special attention to the subject, with a view to reduce this inconvenient practice within the narrowest possible limits.

Mode of accounting for Shore Rations Abroad and for Groceries at the Camps at Home, and at the Stations in the Mediterranean.

RATIONS.

WITH a view to the simplification of the present system in regard to the settlement between Regimental Paymasters and the Commissariat abroad for rations of provisions, Mr. Secretary Herbert has been pleased to direct that the following regulations be substituted for those now in force, and Articles 64, 87 and 93 of the War Office Explanatory Directions and the corresponding articles of the Commissariat Regulations are hereby cancelled:—

1. The Paymaster will deduct from his monthly estimate the regulated stoppage for rations at the rate of one ration for each day's pay estimated for, receiving from the Military Accountant, and debiting himself with, the net amount only of such estimate.

2. At the commencement of each month the Commissariat Officer will forward in duplicate to the Paymaster a statement showing the number of rations issued in the preceding month, one copy of which, after it has been signed by the Paymaster, is to be returned by him to the Commissariat Officer, to be attached to the Commissariat Store Accounts; the other will be attached to the Quarterly Pay List.

3. The Paymaster will credit in his Quarterly Pay List the aggregate amount accruing from the ration stoppages, as vouched by the number of rations shown by the Commissariat statement above referred to.

4. The form in the body of the Pay List for the adjustment of the number of rations issued, with the number of days' pay drawn during the quarter, is to be still continued.

5. An entire agreement is to be effected between the Paymaster and Commissariat Officer as regards the number of rations issued, and to be accounted for, it being distinctly understood that all differences or disputes, should any exist or arise, must be settled on the spot.

GROCERIES.

6. The extra stoppage of 1½d. a day for groceries supplied is no longer to be paid to the Commissariat Officer [2,844-63], but the probable aggregate amount is to be abated by the Paymaster from the gross pay of the men in the monthly estimate in the same manner as the ordinary ration.

7. The stoppages for the number of the grocery rations actually supplied are to be accounted for as a separate credit in the general state of the Pay List, supported by the certificate of the Commissariat Officer of the number of such rations.
